Safeway Spiral Stairs

Safeway Spiral Stairs

manufactures custom-built solid
 Red Oak spiral staircases.

Since 1976 we've been a family
 owned business and offer an
 unconditional lifetime guarantee on
 all our spirals.

SafewayStairs.com

Building Code Compliance

Our spiral staircases meet OSHA and UBC requirements.

- Minimum walking path is 26 inches (for 5 foot diameter or larger)
- Tread width 7.5 inches and 12 inches out from narrow end
- Minimum headroom 6 foot 6 inches
- Rise is less than 9.5 inches
- Handrail height not less than 34 inches
- Baluster spacing not greater than 4 inches
- Balcony railings 36 inches
- Handrail 1 7/8 x 1 1/16 inches, grasping comfort for children or seniors

Contact us if you need more information.

The Safeway Spiral Stairs Advantage

- Our center post is a solid oak column (not segmented) and is constructed of the finest oak available.
- We offer an unconditional lifetime guarantee on workmanship and materials for all our spirals.
- You can calculate your staircase price and order directly from SafewayStairs.com.
- Our order form is only one page and can be filled out in minutes.
- Completed staircases can be picked up at our shop or shipped globally (shipping weight averages 350 lbs).
